KAVIT Electronics Industries Ltd was established in 1994 to provide superior information security products to local public safety organizations at competitive prices. Since its inception, KAVIT has gone from strength to strength and quickly become a trusted worldwide leader with additional customers worldwide, additional leading products, and recognition from MOTOROLA as their Partner in March 2000.

KAVIT's customer base spans almost every country in the world, including the Israeli Security Services, Argentinean National Border Guard, Brazilian Police, Mexican Army, Nigerian Air Force, United Kingdom Ministry of Defense, US Police, Spanish Police, Italian Air Force, Royal Thai Army and South Korean Military, just to name a few.

All our products incorporate our unique development and manufacturing technologies that make each model superior to any other product in its class in terms of security, reliability and performance, and not only on paper. Yet the prices are competitive, ensuring that you get the best products on the market at excellent prices.
